The AEGIS and REGI assessments are for State agencies, boards and commissions only (groups 100-199). These assessments should be paid monthly by the 25th. To ensure payment arrives by the 25th of each month, you may pay estimated amounts. If paying estimated amounts, please ensure a reconcilliation is completed quarterly. Please indicate the month for which you are paying your assessments.

Include in your AEGIS employee count all employees, even those in their initial hire period (first month).
In your employee count, **exclude** vacant positions, temporary or part time positions not eligible for health benefits and those participants who have declined coverage.

To calculate your REGI assessment - include salaries, sick leave, annual leave and other leave paid out (GL Codes 51xx and 56xx).
Actual payroll does not include terminal leave (annual or sick) payouts.
