Getting Healthier Just Got Easier!

Now you can take all the RallySM features you love on the go. You can check in to Missions, track your steps, see your progress in Challenges, use your Rally Coins, and more — from the palm of your hand.

Exclusive Bonuses for App Users

The Rally app uses the latest mobile technology, letting you track your steps and distance with your phone, analyze your 30-day physical activity, and enjoy super-quick logins. You can even earn 2X Rally Coins by joining the Mobile Mission of the Month.

Better Health at Your Fingertips

It's fun, innovative, and a breeze to use — but the Rally app is about more than convenience. Using it can actually teach you to make small changes to your habits that will help you live better and stay healthier.
