

How to Enroll in the PEBP Obesity and Overweight Care Management Program

Step 1: Contact PEBP's third party administrator for a list of participating weight loss Providers. This information is located on the third party administrator's website by logging into the E-PEBP Portal.

Step 2: Make an appointment with a participating weight loss Provider. You may consider the physical location of the Provider when considering which Provider may work best with you. PEBP's third party administrator can also help you identify which Participating Provider may best meet your needs, based on geography or other specialized needs you may have.

Step 3: When you make an appointment with your participating weight loss Provider, before you go, be sure to take an Obesity and Overweight Care Management Program enrollment form with you. This form is located on the third party administrators' website under forms.

Step 4: Have your participating weight loss Provider complete the enrollment form and submit (by mail or fax) the completed form to PEBP's third party administrator. Their name, address and fax number are provided on the enrollment form.

Step 5: PEBP's third party administrator will review the information submitted by your Provider and if the information indicates that you meet the criteria for the weight loss program Benefits, PEBP's third party administrator will enroll you in the program. The third party administrator will notify PEBP and PEBP's Pharmacy Benefits Manager of your enrollment. If you do not meet the criteria for weight loss Benefits, PEBP's third party administrator will notify you of the denial of Benefits.

Step 6: Engagement in the program.

NOTE: Once you have met your final weight loss goal as determined by your weight loss Provider in a medically supervised weight loss program, Benefits under the Obesity and Overweight Care Management program will end. This Plan does not provide Benefits for ongoing Maintenance Care. If you choose to receive ongoing Maintenance Care, you will be responsible for the cost of receiving services.
