Retail Pharmacy Network

To fill a 30-day supply of your medications, present your HealthScope ID card to any in-network retail pharmacy. Locate in-network pharmacies by logging in to www.express-scripts.com/NVPEBP or call Express Scripts® at 1-855-889-7708.

A 90-day supply of your maintenance medications can be filled through a participating Express Scripts® In-Network pharmacy. Maintenance medications include non-emergency, extended-use prescription drugs such as those used for:

- High Cholesterol
- High Blood Pressure
- Controlling Diabetes
- Certain Generic Female Oral Contraceptives

To take advantage of this benefit, ask your physician to write a new prescription for a 90-Day supply of any maintenance medications you are currently taking (plus refills of up to one year, if appropriate).

For more information about your benefits, log in to www.express-scripts.com/NVPEBP or call Express Scripts® Member Services toll-free at 1-855-889-7708.

Home Delivery Pharmacy Program

You may use the Express Scripts® home delivery service to receive up to a 90-day supply of your maintenance medications and have them mailed directly to your home. Please note, not all medications are available via home delivery. Some of the benefits of home delivery include:

- Free standard shipping
- Up to a 90-day supply of your long-term maintenance medications
- 24/7 access to a pharmacist from the privacy of your home
- Order your refills online or on the phone

Specialty Medications: Get Individualized Service through Accredo®

Accredo®, an Express Scripts specialty pharmacy, is composed of therapy-specific teams that provide an enhanced level of individual services to patients with special therapy needs. Specialty medications are drugs that are used to treat complex conditions, such as:

- Cancer
- Hemophilia
- Hepatitis C
- Immune Deficiency
- Multiple Sclerosis
- Rheumatoid Arthritis

Whether they're administered by a healthcare professional, self-injected, or taken by mouth, specialty medications require an enhanced level of service. By ordering your specialty medications through Accredo®, you can receive:

- Delivery of your medications within the United States on a scheduled day, Monday through Friday, at no additional charge
- Most supplies, such as needles and syringes, provided with your medications
- Toll-free 24/7 access to specialty-trained pharmacists and nurses
- Safety checks to help prevent potential drug interactions
- Refill reminders

Manufacturer-funded patient assistance for widely distributed specialty drugs may apply to out-of-pocket maximums.
