Pre-Medicare Informational Sessions

PEBP's Pre-Medicare informational sessions are returning on a virtual platform beginning January 5, 2021. This meeting is for PEBP participants who are currently retired and approaching their 65th birthday, active employees newly retiring after age 65, or currently retired under age 65 and approved for Social Security Disability Benefits. The presentation will provide a step-by-step process on how retirees transition to the Medicare Exchange and will allow an opportunity for participants to address their questions. The sessions will be held every Tuesday, alternating weekly at 10am and at 2pm.

Tuesday's Meeting Dates	Meeting Time	Zoom Link
