Years Of Service Form

First Day of Retirement (MM/DD/YYYY)

The "First Day Retired" is the first day you are in a retirement status with your retirement plan.

1 Participant Information (Please Print Clearly and Legibly)

As a retired public employee, you may qualify for a premium subsidy based on each Nevada public employer with whom you earned service credit. In order to apply for a subsidy toward your retiree health insurance premium, please submit this form within 60 days of your retirement effective date. A subsidy will be applied to your premium cost upon the commencement of your retirement. The "First Day Retired" entered on this form is the first day you are in retirement status with your retirement plan. *Note: The subsidy or contribution amount is determined using each full year of service credit (12 months) with a minimum of 5 years to a maximum of 20 years. Purchased service does not apply to the years of service subsidy or contribution allocation.*

Social Security Number (XXX-XX-XXXX)

Date of Birth (MM/DD/YYYY)

- 2 Enter the employer code and full name of each of your former Nevada public employers. Employer codes are included on the back of this form. If your former employer is not on the list, please write the full name of the employer without a code. Please list in descending order, starting with the name of your *most recent* Nevada public employer on the first line. **If you worked for various state agencies within the State of Nevada, enter the total years that you worked for all state agencies on one line.**

List the number of years and months you worked for each Nevada public employer. Do not round days up to the next month. Do not round a month up to the next year.

Example: You worked for the DMV from 03/26/92 (Mar. 1992) to 03/17/98 (Mar.1998) - this is equal to 5 years and 11 months of service.

| Employer Code | Employer Name | Years | Months |
