

# Health Reimbursement Arrangement (HRA)

Login Site:  
**MyAccounts.hsabank.com**

## GETTING STARTED WITH YOUR HRA

**Access your account online** to view current balance information, set up or update your profile, view online statements, and manage your healthcare expenses. To register your online account, go to **MyAccounts.hsabank.com**, click on “Create your new username and password,” and follow the prompts.

**Your HSA Bank Visa® Health Benefits Debit Card** will arrive in a separate mailing. You can use your card to pay for IRS-qualified medical expenses eligible under your State of Nevada Public Employees’ Benefits Program (PEBP) plan. Remember to save your receipts in the event HSA Bank needs to validate or substantiate the eligibility of the expense.

**To order a second, free HSA Bank Visa® Health Benefits Debit Card for a dependent** (if the dependent’s expenses are reimbursable under your HRA), simply add them as a dependent on the Member Website. To do so, navigate to the Profile tab, click on “Add Dependent”, and then click on “Issue Card.”

**Electronic Communications.** You are automatically enrolled in electronic statements, notifications and alerts with a valid email address or mobile phone number. The Statements & Notifications page on the Member Website outlines all the documents and notifications available.<sup>2</sup>
