LAURA FREED
Board Chair

FINAL REMINDER: Transfer your HealthSCOPE HSA balance to HSA Bank by July 31

If you haven't already consented to move your Health Savings Account ("HSA") from HealthSCOPE ("HSB") to HSA Bank, you must complete this before the **July 31, 2022 deadline to avoid potential ongoing HealthSCOPE fees.**

How can I consent to move my previous HSA?

If you have an HSA balance from Plan Year 2022 or earlier, you can complete the transfer authorization with the following steps:

- Access HSA Bank's [E-Consent Site](#) and enter access code: **9HTP4Y**
- Enter your full name and Social Security Number.
- Read the E-SIGN authorization and consent information.
- Select "accept" or "decline."
- Your HSA balance that was in your HSB account will be available at HSA Bank on or before the end of the day on August 30, 2022.
- If you maintained coverage with a CDHP HSA, the \$600 employer contribution will be automatically added to your HSA Bank account for the new plan year.

Why should I consider authorizing the transfer of my HealthSCOPE HSA balance to HSA Bank?

- **Avoid Fees and Ease of Use** – You'll avoid potential monthly account and closure fees from HealthSCOPE (monthly account fee of \$2.50/month and closure fee of \$25). Plus, you'll enjoy access to your funds in one place with HSA Bank – one account, one member portal, one debit card and one client assistance line.

If I need more help, how can I sign-up for a webinar to learn more about the HSA and HRA transition to HSA Bank?

- Please register for our webinar on [Wednesday, July 27 at 9-10am PT](#)

Questions?

If you have transition related questions, please visit the [PEBP Employee Resource Center](#) or call 1-833-228-9364 to talk with an HSA Bank client assistance center representative. Representatives are available 24 hours a day, seven days a week.

Sincerely,
Public Employees' Benefits Program
