Qualifying Life Events

Every effort has been made to ensure the accuracy of the information contained in this guide. This document contains quick reference tables to assist you in determining required supporting documents, and the timeframe to submit change requests due to a qualifying life event. In the event of any discrepancies between the information in this document and the Master Plan Document for PEBP Enrollment and Eligibility, the Master Plan Document will govern. These documents are available under *Getting to Know Your Plan* on PEBP's homepage at <https://pebp.state.nv.us>. Click [here](#) to view the glossary of health care and medical terms.

One of the things you can count on in life is change. When those changes come, they might open the door for you to qualify to make modifications to your health plan outside the annual open enrollment period. Here's what you need to know:

- You may complete the following qualifying life events in your E-PEBP portal: adoption, birth, divorce, establish a domestic partner, marriage, Medicare eligibility changes, dependent dies, dependent gains coverage, dependent loses coverage, and terminate domestic partnership. You *must* complete these events in your [E-PEBP portal](#) within the specific timeframe (within 60 days of the date of event in most cases) as outlined in this guide. If the online event, including submitting any required supporting documents, is not completed within the specific timeframe, the request will not be accepted, and the change cannot be made until the subsequent open enrollment period.
- Other qualifying life events include employees or retirees who are in declined status who experience a change in number of dependents, permanent legal guardianship and retirement. For these events you will need to submit your supporting documentation and/or required forms to PEBP using our secure document upload form on [PEBP's Contact Us](#) page.
- Transferring to another agency is not a qualifying life event and you cannot make changes to your coverage. If there is no break in coverage as an active employee, you do not have the right to change coverage.
- In accordance with the Internal Revenue Service (IRS) Code Section 125, and upon proper notification to the PEBP, coverage changes generally occur on a prospective basis. Exceptions apply to newborn infants, adopted children and children placed for adoption.
